Dear Parent/Guardian:

In compliance with the rules and regulations of the New Jersey Department of Education (N.J.A.C.: 6A: 16-2.2(h)) any student interested in participating on a school athletic team is required to have a physical examination conducted within 365 days prior to the first practice session.

Enclosed you will find two state mandated annual athletic pre-participation forms. The Pre-participation Physical Examination Form is a health history questionnaire to be completed by the parent/guardian. The Pre-participation Physical Evaluation Form is to be completed by the examining physician, advanced practice nurse, or physician's assistant.

Please return these forms to the attention of Mrs. Fields **prior** to the try out dates for your child's sport. Your child **will not** be permitted to try out if the forms are not returned to the Nurse's Office. These forms are used to complete "eligibility lists" for the coaches.

If you have any questions, please call the school at 973-543-7474, ext 1.

Sincerely,

Cecilia Fields, R.N.
