

Welcome!

St. Joseph School is committed to partnering with parents in the education of their most precious gifts – their children. Education of the whole child – spiritually, academically, emotionally, socially and physically – is of primary importance to the mission of our school. Through the dreams, ambition, and hard work of our faculty and staff, and our many families, St. Joseph School is Middle State Accredited and recognized as a Star School by the Paterson Diocese.

First and foremost, we are a Catholic School. Our vision and purpose flow from the Gospel message of faith, hope and love. Teaching this message permeates our curriculum. Our students receive a value-based education where morals are stressed and taught throughout the day in every classroom. Through this Christ-centered environment, our social conscience is heightened enabling our students to be actively engaged in service and community projects.

St. Joseph School contains one class of every grade, Pre-K 4 through eighth. This provides a small nurturing environment where children are encouraged and cared for in a special way to reach their potential. St. Joseph School provides a supportive and faith-filled setting for its students to grow and learn.

Strong academics are of prime importance to the mission of our school. Our faculty is committed to professional development. All teachers are well trained in subject matter and methodologies. Staff development is a crucial part of improving the educational program, and teachers have taken advantage of a wide variety of opportunities to enhance their skills. They have a keen understanding about the different learning styles of our children and are dedicated to helping each child succeed.

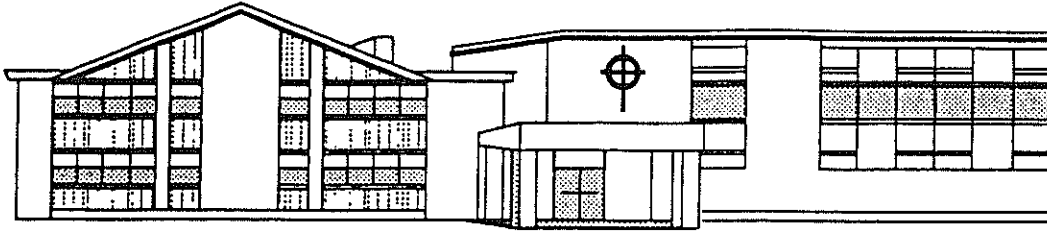

Parent involvement in the St. Joseph School community is welcomed and essential. Parents are encouraged to volunteer in classes, in fund-raising events, in liturgies, and in social activities. Parents are an integral component of our success as a school.

Students on the "wait list" are admitted on the following basis: siblings, children of alumni, parishioners, non-parishioners, and non-Catholics. Each class has a list based on the above and the date of registration.

Thank you for your interest in learning about our school family. I invite you to take a moment and view the information on our website – stjosephschoolmendham.org. If you would like to know more about St. Joseph School or arrange for a tour of the facilities, please call our school office at 973-543-7474 extension 7.

Sincerely,

Helen Kelly
Principal
